Accessing Mandurah Area Schools on Transperth

Travelling to school by bus in Mandurah continues to improve. Students may travel to and from school on a number of different services as shown below:

1. Public Routes (Routes 558 to 598)
2. School Routes (Routes 1-20 and Routes 700+)
3. Combination of Public Routes
4. Combination of School Routes
5. Combination of School and Public Routes

Over the past decade Transperth has adopted a policy not to introduce new school special services, and prefers to concentrate its funding on improving public transport for the Mandurah community as a whole opposed to solely serving students attending an increasing range of schools across the metropolitan area. As time goes by, students are travelling greater distances to access schools and it is not possible for Transperth to cater for students attending a variety of schools. For this reason, public routes in the Mandurah area now operate more frequently than ever, with students able to access a wider variety of schools.

In many instances, students will maintain a direct bus to their school of choice, or their bus will simply continue onto another route which passes their school. Some students will need to transfer services (in most instances this transfer will occur at Mandurah Station), however this situation is no different to thousands of other students who travel to school by Transperth every day.

Please be aware that a general timetable review of all Mandurah Public Routes (Routes 558, 587 to 598) will be introduced on 1st February, 2009. Please ensure you have a current timetable. For timetabling information, please contact the Transperth InfoLine on 13 62 13. New timetables and revised school service information will be available mid January 2009.

Travelling safely to school

To provide a more comfortable and safe journey for all passengers travelling on school services, Transperth encourages students to:

1. Refrain from leaving school bags in the aisles. School bags should be placed under the seat in front of you or placed on your lap. Bags left in aisles create congestion and are a safety hazard.
2. **Move down the bus as far as you can.** This allows passengers to board and alight the bus in a safe manner.
3. Use only one seat. No student is entitled to occupy more than one seat. This includes reserving seats for others. If seats are available, you are expected to use them.
4. Volunteer their seat for primary age students.
5. Stand for full fare paying passengers. Students travelling on the Student 50 cent fare are required to give their seat up for passengers paying standard fares or passengers with special needs.

Mandurah Public Route Network

Route 558 – Rockingham Station to Mandurah Station via Warnbro Station, Secret Harbour, Golden Bay & Singleton

FROM STATION:

From a stand at Mandurah Station, R Allnutt St, R Park Rd, L Mandurah Rd, L Singleton Beach Rd, R McVeigh St, L Navigator Dr, R Dorado St, L Crystaluna Dr, R Barramundi St, L Blue Fin Dr, L Karunjie Rd, R Yanrey St, R Dampier Dr, L Warnbro Sound Av, R Safety Bay Rd, R to a stand at Warnbro Station, then, via L Safety Bay Rd, R Read St, R Council Av, R Kitson St / Rae Rd Busway to a stand at Rockingham Station.
